INNOVATION DRIVE 2022

2022 - 1st HACKATHON

SCAN ME

#OpenChallenge1-2022

Do you have an idea that makes use of ICTs, or promotes the use of ICTs, to improve the social and economic standing of the country?

The Postal and Telecommunications Regulatory Authority of Zimbabwe (POTRAZ), is inviting you to participate in the "**#OpenChallenge1-2022**".

WHO CAN APPLY & HOW?

» **The Hackathon is open to all Zimbabweans who meet the following criteria:**
» Are passionate about technology and innovation;
» Have ideas or existing projects that make use of ICTs to improve the social and economic standing of the country;
» Are individuals or a team of motivated people who would like to further develop their innovative idea or an existing project.

» Those willing to participate in the Challenge can complete the online application form at www.potraz.gov.zw, not later than 19 June 2022. Access to the application form after this date will not be possible. A total of ZWL 175 million is available to implement the successful ideas with support from the Innovation Drive.

People with special needs are highly encouraged to apply.
